## "FAMILIES LEFT BEHIND"

### U.S. Marine Fundraiser Officially Launched

Thousands of men and women are currently fighting for our country's protection in Afghanistan and Iraq. Back home, the families of these faithful Marines are left in need of groceries, clothing, incidentals and other extraordinary expenses for the holidays.

The Rotary Club of Coto de Caza / Rancho Santa Margarita and Camp Pendleton Armed Services YMCA have joined forces to launch Families Left Behind to bring some much needed relief to these families.

As the holiday season approaches, we are asking for the support of local businesses and our community to raise the funds that will help the wives and children of Marines fighting for our freedom. 100% of your tax deductible donations will help these families in need. The Boy Scouts of America Troop 636 and the Tesoro High School Interact Club are helping us collect donations outside local grocery stores.

Thank you for contributing to this important and worthy cause.

Please make all tax deductible donations payable to:
